Sponsorship dossier

Welcome Letter

You are cordially invited to join the **14th edition of the LCA Food international conference**, which will be held from 8 – 12 September 2024 in Barcelona, Spain.

The LCA food conference is pioneering discussions and exchange on sustainability in food systems since the mid 90's and takes place biennially, alternating between Europe and other continents. Over the almost 30 years of its history, the conference has become the world's leading forum on the topic of sustainable food. It reunites hundreds of environmental professionals from multiple sectors (academia, private sector, public bodies, etc.) to share and advance food LCAs and related tools.

If you are an enthusiast about measuring and improving the sustainability of food systems, want to maintain and expand your network, get to know IRTA, and enjoy the Barcelona experience, the LCA Food 2024 conference is “the” event for you.

BECOME A SPONSOR. The LCA Food 2024 is an excellent opportunity for your company to gain visibility amongst attendees, show them what you can offer and build fruitful collaborations. The following are the sponsorship modalities that we offer, but we are open to discuss and adjust the sponsoring conditions to your needs.

Montserrat Núñez

Conference chair and on behalf of the organising committee
